All Day  
**SQUARE DANCE**

**April 13, 2024**

This dance is non-stop, “quick-change” style! What does that mean?

- No breaks between tips, just time enough to change callers.
- No time for hugs and “Thank you” all around the square. After a tip, put your right hand into the square, and as you all raise your hand up, say “Thank you” to everyone at once.
- Immediately disperse. Find another square or get off the floor. Dance with different people each tip!
- No designated break time, so take your break whenever you wish! You don’t have to dance every single tip, but you can if you want!

*Message from the NCCA President*

*It is wonderful to have a major square dance event in North Carolina again. Your happiness is our utmost priority. On behalf of our entire calling staff, I welcome you with open arms.*

*Marty Northrup, President*
